Welcome to St. Dunstan's!

We're so glad you joined us for worship this Sunday. We seek to be "growing Christians": growing through worship; through study of God's Word; and through serving others, especially the poor. We want to grow in the depth of our faith and the breadth of our welcome. Most importantly, we recognize that growth in God is a process – a journey of faith. Again, I rejoice that you walked with us this morning, and I invite you to become a part of our parish family and grow with us, too.

With every blessing,
